

## Kit List – Camino de Santiago de Compostela Trek

The kit you take on your trek can make the difference between being 'just a trek' or a 'memorable trek'. Our kit lists are put together with feedback from our own experiences and that of participants who have taken part in our previous trips.

The items on this list do not take into account your personal preferences based on your previous trekking experiences, or individual requirements.

PLEASE NOTE: This list is just a guideline and is not exhaustive or take into account personal preferences.

For information about items on this list please refer to the trip dossier or contact The Different Travel Company on [info@different-travel.com](mailto:info@different-travel.com)

\*Please consider eco-friendly or biodegradable options.
